

```
# Shell Program to Print Numbers from 1 to 10 using While Loop

clear

n=1

while [ $n -le 10 ]
do
    echo $n
    n=`expr $n + 1`
done
```

**Output:**A terminal window titled "root@localhost:~/Programs" with a menu bar containing "File", "Edit", "View", "Terminal", "Tabs", and "Help". The terminal displays the output of the script: the numbers 1 through 10, each on a new line. Below the numbers, the prompt "[root@localhost Programs]#" is visible. A vertical scrollbar is on the right side of the terminal window.
